BACKGROUND

- Glenn Groves trading as MAC Training Solutions is a family run RTO with the following structure: Glenn Groves is Owner/CEO and Trainer/Assessor, Jennifer Tomkins is Training Administrator (Manager), Zara Hill is Administrative Assistant and Janine Temple is the RTO's Compliance Officer.
- The RTO has three core client groups: CSQ Funded students, who must have a minimum of 5 years' experience and be able to RPL a high percentage of the course and be employed in the industry. Apprentices/Trainees, who have little to no experience and will be fulltime/parttime

employees of the client, and Fee for Service learners who vary in experience and will mainly be employed in the industry.

- Fee revenue sources targeted include CSQ funding, User Choice funding and Fee for Service.
- MAC Training Solutions is a mobile training specialist and delivers training at the premises of the employer. Therefore the RTO does not have any permanent delivery sites. Training delivery is mainly conducted in North/Central Queensland from Biloela to Tully to Mount Isa.
- The RTO is currently continuing to enrol learners in the superseded RII qualification (although they currently have the current versions on scope) due to User Choice funding continuing to only fund the superseded qualifications. Therefore the RTO has the following number of students currently enrolled in the following qualifications:
RII30813 Certificate III in Civil Construction Plant Operations – 61
RII40713 Certificate IV in Civil Construction Supervision – 46

Total number of current enrolments in RTO as at audit date:

- 134

ABOUT THIS REPORT

This report details findings against the *Standards for Registered Training Organisations 2015*.

The evidence guidance included against each clause is designed to guide the auditor and RTO on the requirements of the clause. The evidence guidance is not designed to limit the audit findings and there may be other factors an auditor takes into consideration when determining whether compliance has been demonstrated.

Where evidence of non-compliance is identified, the '*Reasons for finding of non-compliance*' section of the report will document the issues that were considered in the formulation of a finding of non-compliance.

STANDARD 1 **The RTO's training and assessment strategies and practices are responsive to industry and learner needs and meet the requirements of training packages and VET accredited courses.**
To be compliant with Standard 1 the RTO must meet the following:

Clause 1.1
The RTO's training and assessment strategies and practices, including the amount of training they provide, are consistent with the requirements of training packages and VET accredited courses and enable each learner to meet the requirements for each unit of competency or module in which they are enrolled.

Original finding: Not compliant

Following rectification: Compliant

Evidence guidance	Y	N	N/A
A training and assessment strategy (or strategies) was provided for each training product sampled	<input checked="" type="checkbox"/>	<input type="checkbox"/>	
Each strategy is consistent with the requirements of the training product	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Each strategy provides a framework to guide the learning requirements and the training and assessment arrangements of each training product – the macro level requirements of the learning and assessment process	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Each strategy identifies an amount of training to be provided to learners that is consistent with the requirements of the training product	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
Each strategy has been consistently implemented	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Reasons for finding of non-compliance:

The organisation provided the following evidence:

- Training and assessment strategies
- The evidence provided does not demonstrate that the training and assessment strategies, including the amount of training they provide, are consistent with the requirements of the training package. For example but not limited to:

FWPCOT2237 Maintain Chainsaws

FWPCOT3238 Operate a pole saw

- The 'Delivery and Assessment' section does not clearly and accurately identify the amount of training to be provided to learners specifically in relation to the full duration including assessment.
- The 'Resources & Infrastructure' section does not identify any required resources as per the unit of competency's Assessment Conditions.
- The 'Training Package' section refers to the superseded training package details.

RII30815 Certificate III in Civil Construction Plant Operations

- The 'Delivery and Assessment' section does not clearly and accurately identify the amount of training to be provided to the RTO's different learner cohorts.
- The 'Units of Competency' section contains incorrect unit codes.

In order to become compliant, the organisation is required to:

FWPCOT2237 Maintain Chainsaws

FWPCOT3238 Operate a pole saw

- Provide evidence that the training and assessment strategies for the above units of competency are consistent with the training package requirements and provides clear and accurate information regarding the amount of training to be provided to learners.

RII30815 Certificate III in Civil Construction Plant Operations

- Provide evidence that the training and assessment strategy for the above qualification is consistent with the training package requirements (correct units of competency) and provides clear and accurate information regarding the amount of training to be provided the RTO's different learner cohorts.

Prior to the conclusion of the audit site visit the RTO provided updated training and assessment strategies which demonstrated compliance. **No further evidence required.**

Clause 1.2

For the purposes of [Clause 1.1](#), the RTO determines the amount of training they provide to each learner with regard to:

- a) the existing skills, knowledge and the experience of the learner;
- b) the mode of delivery; and
- c) where a full qualification is not being delivered, the number of units and/or modules being delivered as a proportion of the full qualification.

Original finding: Not compliant

• the existing skills, knowledge and experience of learners	<input type="checkbox"/>	<input checked="" type="checkbox"/>
• the mode/s of delivery	<input checked="" type="checkbox"/>	<input type="checkbox"/>
• the number of units and/or modules being delivered	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Reasons for finding of non-compliance:

The organisation provided the following evidence:

- Training and assessment strategies

FWPCOT2237 Maintain Chainsaws

FWPCOT3238 Operate a pole saw

RII30815 Certificate III in Civil Construction Plant Operations

- For the purposes of clause 1.1, the RTO has not determined the amount of training it provides to each learner with regard to:
 - a) The existing skills, knowledge and the experience of the learner; and
 - c) The number of units and/or modules being delivered.

In order to become compliant, the organisation is required to:

FWPCOT2237 Maintain Chainsaws

FWPCOT3238 Operate a pole saw

RII30815 Certificate III in Civil Construction Plant Operations

- Provide evidence that the RTO determines the amount of training to be provided to learners in regards to:
 - a) The existing skills, knowledge and the experience of the learner; and
 - c) The number of units and/or modules being delivered.

Prior to the conclusion of the audit site visit the RTO provided updated training and assessment strategies which demonstrated compliance. **No further evidence required.**

Clause 1.3

The RTO has, for all of its scope of registration, and consistent with its training and assessment strategies, sufficient:

- a) trainers and assessors to deliver the training and assessment;
- b) educational and support services to meet the needs of the learner cohort/s undertaking the training and assessment;
- c) learning resources to enable learners to meet the requirements for each unit of competency, and which are accessible to the learner regardless of location or mode of delivery; and
- d) facilities, whether physical or virtual, and equipment to accommodate and support the number of learners undertaking the training and assessment.

Original finding: Not compliant

Following rectification: n/a

Evidence guidance	Y	N
For all training products sampled, there are sufficient:

• facilities and equipment to accommodate the number of learners	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Consistency is evident between each strategy and the above resources	<input type="checkbox"/>	<input checked="" type="checkbox"/>

Reasons for finding of non-compliance:

Trainers and Assessors

The organisation provided the following evidence:

- Glenn Groves Quals.zip
- Trainer Matrix Glenn Groves
- PD & IC Register Glenn Groves
- The evidence provided did not demonstrate that for all of its scope of registration, and consistent with its training and assessment strategies, the RTO has sufficient:
 - a) Trainers and assessors to deliver the training and assessment.

In order to become compliant, the organisation is required to:

Trainers and Assessors

- Provide evidence to demonstrate the RTO has, for all of its scope of registration, and consistent with its training and assessment strategies, sufficient:

Reasons for finding of non-compliance:

- The RTO has not demonstrated compliance at clauses 1.1, 1.3 or 1.8 and therefore has not demonstrated that it meets the requirements specified in the relevant training packages (FWP and RII).
- Prior to the conclusion of the audit site visit the RTO provided evidence to demonstrate compliance with Clause 1.1, therefore no further evidence is required for Clause 1.1.

In order to become compliant, the organisation is required to:

- Provide evidence to demonstrate compliance at clauses 1.3 and 1.8 as noted within this report.

Analysis of rectification evidence:

Table 1.8.1 Principles of Assessment

Fairness	<p>The individual learner's needs are considered in the assessment process.</p> <p>Where appropriate, reasonable adjustments are applied by the RTO to take into account the individual learner's needs.</p> <p>The RTO informs the learner about the assessment process, and provides the learner with the opportunity to challenge the result of the assessment and be reassessed if necessary.</p>
Flexibility	<p>Assessment is flexible to the individual learner by:</p> <ul style="list-style-type: none"> • reflecting the learner's needs; • assessing competencies held by the learner no matter how or where they have been acquired; and • drawing from a range of assessment methods and using those that are appropriate to the context, the unit of competency and associated assessment requirements, and the individual.
Validity	<p>Any assessment decision of the RTO is justified, based on the evidence of performance of the individual learner.</p> <p>Validity requires:</p> <ul style="list-style-type: none"> • assessment against the unit/s of competency and the associated assessment requirements covers the broad range of skills and knowledge that are essential to competent performance; • assessment of knowledge and skills is integrated with their practical application; • assessment to be based on evidence that demonstrates that a learner could demonstrate these skills and knowledge in other similar situations; and • judgement of competence is based on evidence of learner performance that is aligned to the unit/s of competency and associated assessment requirements.
Reliability	<p>Evidence presented for assessment is consistently interpreted and assessment results are comparable irrespective of the assessor conducting the assessment.</p>

Table 1.8.2 Rules of Evidence

Validity	<p>The assessor is assured that the learner has the skills, knowledge and attributes as described in the module or unit of competency and associated assessment requirements.</p>
Sufficiency	<p>The assessor is assured that the quality, quantity and relevance of the assessment evidence enables a judgement to be made of a learner's competency.</p>
Authenticity	<p>The assessor is assured that the evidence presented for assessment is the learner's own work.</p>

Currency	The assessor is assured that the assessment evidence demonstrates current competency. This requires the assessment evidence to be from the present or the very recent past.

- Theory Assessment
- Theory Assessment marking guide

- The evidence provided does not support that assessment complies with the assessment requirements of the above unit of competency or that assessment is conducted in accordance with the Principles of Assessment and the Rules of Evidence.
 - The practical marking guide is a direct replica of the unit of competency's performance criteria and performance evidence, which does not identify the observable behaviours to be performed by the learner.
 - The RTO advised that each client group of learners would complete different scenarios (for example, different volumes of water and sized pumps) and therefore could not prescribe the task to be performed. However there was no information provided as a guide for assessors as to what type/how the task should be performed to ensure assessor consistency in assessing competence.
 - The unit of competency requires the learner '*demonstrates completion of draining and dewatering... on more than one (1) occasion.*' The RTO's assessment tool did not allow for the assessor to record the demonstrations on more than one occasion.
